

## CONTENTS

### • Specialist View •

- Firmly Shouldering the Responsibility of Science and Technology for Developing Agriculture,  
Strengthening Agriculture and Enriching peasants, Providing Science and Technology Support for  
Comprehensively Promoting rural Revitalization ..... GAO Xue (001)
- Investigation on the Grassland Protection and Utilization of Extreme High Altitude Regions in Tibet  
..... QU Guang-peng, JIN Tao, YANG Wen-cai (007)

### • Experimental Research •

- Preliminary Study on Soil Heavy Metals in Vegetable Production Base of Lhasa ..... LIU Qing-hai,  
QIU Cheng, ZHANG Fei-long, LI Ji-rong, PAN Chong-shuang, HUANG Li-ying, Mingmazhuoga (011)
- Investigation on the Characteristics of Soil Seed Bank in Different Degree Degenerated Grassland  
in Nierong County ..... Xiuhua, QU Guang-peng, WEI Wei (016)
- Key Points of Introduction and Breeding Management of Gilts in Plateau Area ..... Liu Fen,  
Yang Ming-jie, Wang Mu, Suolangdeji, A Xiu-lan (021)
- Application of Special Loss-control Fertilizer in the Tibetan Highland Darley ..... YANG Yong,  
LI Han, Danzeng, Yundanjiacuo, CHEN Ge-ming, FENG Zheng-ming, RONG Xiang-min (024)
- Preliminary Report on Introduction and Comparison of New Varieties of Chenopodium quinoa  
..... XU Dong-li, ZHOU Lan-lan, WANG Guo-ping, LIU Hui-ling, GUO Jian-wei,  
LIU Mei-jin, SANG An-ping, HU Zai-qing (029)
- Evaluation of Salt Tolerance at Bud Stage of Different Highland Barley Varieties ..... Wang Mu,  
YANG Chun-bao (033)
- Effects of Different Sowing Methods on Fresh Grass Yield of Vetch ..... Xiongnutaba, Lunzhulangjie,  
Dawadunzhu, GAO Li-yun, JIAO Guo-cheng, Pubuzhuoma, Qimeiwangmu (038)
- Preliminary Investigation on Wild habitat of Tuber yigongense in Tibet ..... ZHANG Jun-li (042)
- Research on Germplasm Characteristics of Chawula Yak ..... JIANG Hui, Basangwangdui, Cidanyangji,  
CHEN Xiao-ying, Dawayangla, YONG Zhong, Luosangdanzeng, ZHANG Qiang (045)
- Seed Germination Characteristics of hree Wild Leguminous Plants in Tibet ..... XIA Fei (052)

### • Technology Extension •

- Study on Growth Performance of Short Legged Yak in Shenzha County Green Cultivation Techniques of  
Forage Oats in Tibet ..... YANG Wen-cai (057)
- Popularization and Application of ‘Jinghua 165’ in Major Agricultural Areas in Tibet  
..... YUAN Yu-ting, Cirenbaizhen, ZHAO Cai-xia, LI Shi-meng (061)

Cultivation Measures of Longdong alfalfa (*Medicago sativa*) in Relocation and

- Abandonment region of Shigatse, Tibet ..... LIU Yun-fei, Pubuciren (065)
- Breeding Report of Spring Highland Barley New Variety “Zangqing 17” ..... TANG Ya-wei (067)
- Prevention and Control of Goat Acariasis in Baling Township, Naqu City ..... Deqingzhuoga (069)

• **Literature Review** •

Study on the Governance Mechanism of Relative Poverty in Ethnic Minority Areas from the

- Coupled Perspective of Poverty Alleviation and High-quality Development ..... JIANG Xia (072)
- Problems and Countermeasures of Pollution and Treatment in Large-Scale Farms in Tibet  
..... CAO Han-wen, Basangwangdui, ZHANG Cheng-fu, XIN Jin-wei, WENG Hao-bo,  
LI Ming, ZHANG Pin-lin, LA Zhen-xing, BAO Ji-cai, QI Fa-sheng, CHEN Xiao-ying (077)
- Analysis of the Cultivation Path of New Professional Farmers in Tibet ..... WANG Li, ZHANG Gao-xiang (080)
- Development Status of Water-saving Agriculture in Tibet Autonomous Region ... HOU Ya-hong, LI Xue (083)
- The Production Status and Development Strategies of Highland Barley in Ngamring County, Xigaze City  
..... Pubuzhuoma (087)
- The Discussion of Research Actuality on *Brassica rapa* ..... Cirendeji, Mima (089)
- Research Progress in Ploidy Breeding of Drupe Fruit Trees ..... LI Yuan-hui, ZHAO Fan,  
ZHANG Shan-shan, LI Yuan-rong, ZENG Xiu-li (093)
- Analysis of Rotation and Fallow System in Typical Arid Area of Lhatze County in Tibet  
..... ZHANG Hua-guo (096)
- Proposals of Sustainable Development of *Crocus sativus* L. .... ZHANG Xue-song, ZHANG Wen-hao,  
LIU Lu-jiang, CHEN Xiao-wen, SONG Yi (101)
- Development and Utilization of Characteristic Edible and Medicine plant in Tibet and its prospects  
..... Pubuduoji, MENG Sheng-ya, YAN Ying-ying,  
YU Cui-cui, CHEN Feng, ZHANG Wen-hui (106)
