

CONTENTS

• Specialist View •

Three-dimensional landscape construction of winter rape and peach blossom in Bayi District,
Nyingchi, Tibet TANG Ling, WANG Jinxiong, Nimaciren,
YUAN Yuting, Cirenbaizhen, ZHAO Caixia, NAN Zhiqiang LI Shimeng (001)

• Experimental Research •

Functional Verification of Drought Resistance Gene *HVu1H24632.2* of Highland Barley
..... YU Mingzhai, YANG Chunbao, Basangyuzhen (005)

Analysis of Correlation between Climate and Cash Crops Production in Gyaca County
..... CHEN Dingmei, Chisangdanji, TANG Mingxin (009)

Preliminary Report on Introduction and Demonstration of The New Early Maturing Rapeseed
Variety Xiangyou 420..... LI Shimeng, YUAN Yuting*, WANG Jinxiong, Cirenbaizhen (014)

Evaluation and Analysis of Trace Element Content of Highland Barley Local Varieties in
High Altitude Border County of Tibet HUANG Haijiao (018)

Characterization and Interacting Proteins Screening of *HVUL1H08544.2* in
Tibetan Hulless Barley Wangmu, YANG Haizhen (023)

Investigation on Medicinal Plant Resources of Labiate in Qiongjie County, Tibet
..... Sangjidongzhi, Cidan (028)

Characteristics of Annual Precipitation and Water Requirement of Winter Wheat in Lhasa
..... HOU Yahong¹, Dawazhuoma (031)

Progress of Comparative Test of Breeding Varieties on Buckwheat in Tibet
..... YIN Zhongjiang, Cizhen, Nimayangzhong, LIAO Wenhua, Labazhaxi (036)

Discussion on the Influence of Meteorological Conditions on Agricultural Production in Pulan County
..... ZUO Hangtian, LEI Wenjun, ZHENG Yanyuan, LI Jiqiang (041)

Analysis on Adaptability and Stable Yield of Several Spring Wheat Varieties in Alpine Agricultural Area
..... WEI Yingchun, LIANG Yanhua, WANG Lan, ZHANG Yongpeng,
FAN Ruiying, WANG Juhua, TONG Jian, JIAO Guocheng (045)

Comparative Study on the Nitrate Accumulation Ability of Greenhouse Vegetables in Plateau Environment
..... Awangdaji, HUANG Liying, Mima, Mingmazhuoga (049)

Study on Winter Rape Multiple Planting of Buckwheat with Apiculture Technology of in Xigaze Area
Screening of Productive Cultivable Strains of Wild *Tricholma quercicola* in Nyingchi Region and
Its Fruiting Test SHAO Yanli, ZHANG Gaoxiang, REN Junhui, WANG Li (059)

Preliminary Study on Forage Grass Planting in Agricultural Area of Lhünzhub County River Valley , Tibet	GUAN Weixing, LUO Liming, ZHANG Siyuan (062)
The Control Effect of P20 on Locusta migratoria tibitensis Chen in wheat field	LI Yang, PANG Bo (066)
Study on Adaptability of Open Field Cultivation of “Zangluo No.1” Radish in High Altitude Area	WANG Huaifeng CHEN Huaishun , HUANG Yong (069)
Effects of Highly Effective Double Lambs Vaccine on Reproductive Rate and Lamb Survival Rate of Tibetan Sheep.....	HE Bing-mei (075)
Preliminary Study on Mycelium Fermentation Conditions of Tibetan Ganoderma lucidum	GAO Lei (078)

• Technology Extension •

Status and Proposal of the Promotion of Shigatse “Himala 22”	Pubudunzhu (081)
Study on Rapid Detection Method of Clenbuterol in Meat	Guobuciren,Zhuoma (085)

• Literature Review •

New Situation, New tasks, Promote the Development of Tibet “Rural Security”	LIU Cheng-li, LIU Hai-jin, HU Wei-dong, LIU Nan (088)
Research Progress on Natural Cheese Processing at Home and Abroad	ZHOU Yu (094)
Analysis of Improvement Measures of Crops Planting Pattern in Tibet	Labazashi, Deqingzhuoga (100)
Idea, Strategy and Suggetion on the Developing of Yak Industry in Lhasa City	Axiulan (103)
Status of Rural Distance Education of Tibet	NU Lei, Zhaxilazong (106)
