

## CONTENTS

### • Specialist View •

Overview of Insects Resource Conversation in Qinghai-Tibet Plateau

.....WANG Baohai, ZHAI Qing, WANG Wenfeng, LIU Chenyang(001)

### • Experimental Research •

Nutritional Quality Analysis and Comprehensive Evaluation of 30 Highland Barley Grains in Tibet

.....HE Yuting, Zhaxiquncuo, HE Junjie, ZHANG Yu(008)

Optimization on Extraction Process of Non-starch Polysaccharide from Highland Barleys by

Decompressing Inner Ebullition Method

.....DU Yafei, LIU Xu, LI Qiuying, CAO Hongmei, ZHAO Bo(013)

Effects of Different Multiple Cropping Methods on Soil Nutrients in Field .....GAN Yawen(018)

The Preliminary Report on the Introduction of new Forage Varieties in Gannan Prefecture

ZHOU Lanlan, LI Fengqing, LIU Huiling, SHANG Hongmei, SANG Anping .....(023)

Yield and Demonstration Results of Soybean New Variety ‘Wandou 21116’ in Huayanghe Farm over The Years

JIANG Zhong, ZHOU Wen, YANG Songnan, SUN Yuewu, ZHANG Li .....(027)

Identification and Analysis of Quality Traits of Rapeseed Germplasm Resources in Tibet

.....YUAN Yuting(033)

Observation and Identification of New Varieties (Lines) of Brassica campestris in Tibet

.....NAN Zhiqiang, Nimaciren, LI Shimeng, Cirenbaizhen(039)

Problems and Countermeasures of Maize Cultivation Technology along the Nujiang River in Qhamdo City

.....Zerendunzhu(044)

Investigation Report on Medicinal Plant Resources in Naidong District

.....Ouzhulamu, Saiman, Cidan(046)

Effects of Combined Cold and Drought Stress on the Physiologicaland Biochemical Characteristics of

*Triticale wittmack* .....LIU Jie, WU Junxi, Laduo, LUO Liming, WANG Yuhui(053)

Effects of Different Initial Feeding on Survival and Growth of *Schizopygopsis younghusbandi* Regan Larvae

.....WANG Jinlin, WANG Qielu, ZENG Benhe, ZHOU Jianshe(062)

Effects of High Efficiency Double Lamb Vaccine on Lambing Rate and Lamb Survival Rate of Whole House Fed

Estrous Multiparous DOMA Sheep .....Danzengquzhen, Jinmeiduoji, Qimeilangjia, HE Bingmei(069)

### • Technology Extension •

Breeding and Cultivation Technique of Grain and Grass Combination New Highland Barley Variety ‘Ganqing

No. 11’ .....XU Dongli, WANG Guoping, HU Zaiqing, ZHANG Zhongguang, ZHOU Xirong,

GUO Jianwei, LI Fengqing, SANG Anping, ZHANG Tao, YAN Chunmei, LIU Meijin(073)

Discussion of Construction and Countermeasures of Wheat Crop Breeding Base in Tibet

.....JIN Kai (076)

• Literature Review •

Suggestions on Rice Production Structure Adjustment and Layout Optimization in Ningxia	
.....	ZHU Zhiming, LI Zhen, LIU Chunguang, YANG Fei, CHEN Xiaojun, MA Ziqing(079)
Review on Risk Assessment of Fresh Agricultural Product Supply Chain	
.....	WANG Cheng(084)
The Tendency of Income and Consumption Structure of Rural Residents in Tibet From 2000 to 2020	
.....	WEI Zexiu, Zhuoma(090)
Evaluation on the Role of Highland Barley in Poverty Alleviation in Tibet	
.....	TAN Jianxin, Sangbu(095)
Analysis on Present Situation of Grass-roots Agriculture and Discussion on Countermeasures of Modernization	
Development.....	Dawazhaxi, Cirenzhuoga(099)
Present Status and Development Proposal of Forage Planting in Ali District	
.....	CHEN Shuai, LIANG Feng, Suolangdeji(102)
Staff Comparison and Result Analysis in Testing Laboratory	.....LI Zijing(105)
