

CONTENTS

• Specialist View •

Occurrence Dynamic and Alert of Three Kinds of Wheat Pests in Tibet in the Past 70 Years

.....WANG Baohai, ZHAI Qing, WANG Wenfeng, FAN Ruiying, ZHANG Yaling,
PANG Bo, ZHANG Huanhuan(001)

Main Technical Measures and Suggestions for the Transformation of Low Yield and Low Efficiency Tea Gardens in Tibet

.....Wujingciren(005)

• Experimental Research •

Analysis of Nutrient Composition from Different Tartary buckwheat Varieties in Basu County, Changdu City, Xizang Autonomous Region

.....YAN Ze, YANG Yuting, Bazong, CAO Yangchun, HE Hongmei, YE Zhenrong, Zhaxisangbu,
ZHANG Haifang(010)

Screening and Identification of Fresh Corn in Shannan Area of Tibet

.....ZHU Xia, YANG Tao, Danzengciren, Zhuoma, JIANG Ying, Yongga, MA Haiwei, Renzengzhuoma(014)

Comparative Experiment on Yield and Quality of Different New Spring Wheat Varieties in Yellow River Irrigation Area of Ningxia

.....HA Dongxing, ZHU Zhiming, LIU Chunguang, YANG Fei, ZHANG Zhansheng, CHEN Xiaojun(019)

Community Composition Characteristics of Main Shrub Forests in Tibet.....REN Junhui(022)

Study on the Biological Properties and Quality Characteristics of Tea Major Cultivars in Metok County

.....MAO Juan(026)

Adaptability Analysis and Cultivation Techniques of New Highland Barley Varieties in Lazi County

.....Basangpuchi, ZHAO Caixia, YANG Guanghuan, ZENG Xingquan, GAO Xiaoli(030)

Comparative Test of New Highland Barley variety “Sulaqing No. 2” and “Baiqingke”

.....Dawazhaxi, Cirenzhuoga(034)

Analysis and Evaluation of Main Agronomic Traits of 25 Brassica rapa Germplasm Resources

.....LI Yang, SUN Lipeng(037)

Comparative Planting test Report of Different Potato VarietiesBianbaciren(041)

Research and Analysis on Risk Assessment of Fresh Agricultural Products Supply Chain Based on CiteSpace

.....WANG Cheng(043)

Research Progress on Seed Aging Mechanism During Storage

···Pubuzhuoma, Suolangdanzeng, Renzengwangmu, (DA) Pubuzhuoma, Luozeng, Tageiduoji, Nimacangjue(049)

Analysis and Evaluation of Nutritional Components in Highland Eggs

.....HUANG Tao, ZHAO Qing-jun, ZHANG Hong-ling, HU Qing-song, ZHANG Hao, LI Gang,
PI Jin-song, LIANG Zhen-hua(053)

Study on Cultivation and Recycling of “Summer Grass and Winter Circle” in Alpine Pastoral Area of Nagchu, Tibet

.....XIE Wen-dong, ZHU Yan-bin, Basangwangdui, HE Shi-cheng, YAN Jun, WANG You-xia,
MA Deng-ke, CHENJin-lin, ZHANG Hai-peng, GAO Ke, Labazhaxi, Baimayuzhen, Bianbalamu, Danjiuluobu(057)

• Technology Extension •

Diagnosis and Treatment of Oyster Nematode Disease on Northern Tibetan Sheep.....DU Jun(060)

A Preliminary Study on Breeding Techniques of Caro Xiang Pig in Tibet Changdu City.....LI Peimin(063)

• Literature Review •

Taking Circular Agricultural Development Path of Agriculture, Husbandry and Animal Husbandry —— Taking Shigatse City as an Example

.....HUANG Qingxiong(067)

Reflections on the Exploitation of Cirtus Medica in Medog County Based on the Development of Anyue Lemon

.....TIAN Lin,YUAN Yugui,YUE Yan,CHEN Yanhua,Baimayangzong,MA Chao(075)

Development Status and Thinking of Highland Barley Dominant Region in Ganzi, Tibetan Autonomous Prefecture, Sichuan Province

.....XIANG Wenbin, YANG Shuping, YANG Zhimei(079)

Analysis on the Input and Benefit of Regional Artificial Grass Planting in the Northern Tibetan Plateau

.....YAN Jun ,Danjiuluobu, WANG Youxia, MA Dengke, XIE Wendun, CHEN Jinlin,
ZHANG Haipeng, HE Shicheng, GAO Ke, DANG Yongzhi(082)

Current Situation and Countermeasures of Agricultural Technology Popularization in Tibet

.....Mimapuchi(086)

Analysis of Development Status, Existing Problems and Countermeasures of Awang Sheep Industry in Gongjue County

.....YAN Jinyuan(089)

The Growth Point of Ecological Productivity in the Rural Revitalization StrategyZHAN Jinjin(093)

Research on the Innovation-driven Development Mechanism and Promotion Strategy of Rural Logistics under the Background of Rural Revitalization

.....SU Xudong(098)

Some Thoughts on How to Develop Agriculture and Animal Husbandry in High Altitude Areas under the Background of Rural Revitalization—Take the Ali Region of Tibet as an Example

.....Qunpei(102)

Analysis on the Current Situation and Governance Measures of Rural Ecological Environment Protection in the Strategy of Rural Revitalization

.....ZHAO Kuang, Aqiong, ZHANG Siyuan, WANG Caihong(106)
