

## CONTENTS

### • Specialist View •

- Analysis on the Current Situation of Agriculture and Animal Husbandry and Development Path of Rural Revitalization in Tibet  
.....JIN Tao, GAO Qing(001)

### • Experimental Research •

- Analysis of Stable Yield of New Spring Wheat Variety (Line) ‘16-3355’  
.....LIANG Yanhua, ZHANG Yongpeng, WANG Lan, WEI Yingchun, FAN Ruiying(005)
- Research Status and Hotspot Analysis of Highland Barley with Bibliometrics  
.....JIANG Jingyu, Renqingzhuoma, Lamaocaidan, LIU Yazhou, HU Yun(009)
- Study on Light and Simplified Cultivation Technique of Highland Barley in the Valley of Tibet  
.....JIAO Guocheng, Pubuzhuoma, Sangbu, Bianba, GAO Liyun, DUAN Peng, LUO Liming, GUAN Weixing, WANG Shengping, Xiongnutaba, WEN Yongsong, Danzeng(018)
- Effects of Potassium Fulvic Acid on Yield, Fertilizer Utilization and Soil Nutrients of Spring Highland Barley ‘Sulaqing No. 2’  
.....YUAN Chengli, ZHANG Haifang, TIAN Kexing(023)
- Exploring the Mechanism of Tartary Fagopyrum tataricum on Pancreatic Cancer Based on Data Mining  
...CHANG Zihui, Nimayangzong, HUANG Haijiao, Labazhaxi, GAO Xiaoli, TIAN Pengjia, YIN Zhongjiang(029)
- Application of Remote Sensing Technology in Crop Diseases and Pest Monitoring  
.....SI Zhengbang, QIAO Huanhuan, Yi sima, LI Boyu, YANG Fei, GUO Wujun(035)
- The Performance of Different Qinghai Brassica napus Cultivars in Shannan Area, Tibet  
.....YANG Tao, Yongga, Gusangzhuoma, Labapuchi(040)
- Effects of Mixing Modes on Forage Value of Avena Sativa + Vicia Sativa in Ali Region  
.....Yixiyangzong, ZHOU Qilong(043)
- Effects of Cutting Period on Yield and Quality of Different Oat and Pea Mixed Sowing Combination  
.....GAO Xiaoli, YANG Wencai(047)
- The Study on the Cultivation Techniques of Xiaorye No.1 in Gannan Cooperative City  
...ZHOU Lanlan, LI Mingjun, YANG Hongjuan, HE Zhenfu, LI Fengqing, MA Ling. MAO Yuping(054)
- Comparative Trial of the Facility’s Introduction of Tomatoes in Lhasa .....Gesangquzhen(060)
- Research on Aquatic Plant Silage in Lalu Wetland  
.....WANG Hongzhuang, Yixiduoji, Pingcuoyundan, Zhaqiong, Deji(067)
- Comparative Experiment on Different Cultivation Methods of Tibetan Wood Fragrance  
.....Suolangcuomu, Baimayuzhen, Mingjie, Ouzhu, WANG Yicheng(072)
- Preliminary study on seed germination and seedling growth of Ziwu Lotus in Tibet  
.....WANG Shumei, WANG Zhonghong, ZENG Xiuli(076)

• **Technology Extension** •

Key Points of High-Yield Cultivation Techniques for Multiple Cropping of Crops in Tibet

.....Wujinciren, Mimairen, Zhaxi, Guozhen(081)

Key Points and Suggestions for Cultivation Techniques of Early Maturing Rapeseed in Semi Alpine Agricultural Areas of Tibet

.....Nimaciren, Dengzhengzhuoga, NAN Zhiqiang, WANG Jinxiong, LI Shimeng, YUAN Yuting,  
TANG Lin, Cirenbaizhen, ZHAO Caixia, YANG Guanghuan, Baimayangjin, Renzeng(083)

• **Literature Review** •

Research on the Corn Industry Development of Tibet

.....HUANG Yuting, HU Wenping, ZHOU Lina, LI Menghan(088)

Current Situation and Countermeasures of Agricultural Mechanization Development in Karuo District, Changdu

.....Yisima(095)

Several Thoughts on Grassland Ecological Remediation for Shigatse City.....Tongsanguomu(099)

Conservation Status and Development Suggestions of Pali Yak Germplasm Resources.....Dejicuomu(102)

Data Analysis and Countermeasures of Cultivated Land Quality Monitoring in Ali Prefecture, Tibet

.....Qunpei, Gesangdawa, Baimagesang(105)
